INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF SARADHAMBIKA PAPER AND BOARD MILLS PRIVATE LIMITED

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

7 Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

> Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

>Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

>Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

>Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

>Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

SARADHAMBIKA PAPER & BOARD MILLS PRIVATE LIMITED SIGNIFICANT ACCOUNTING POLICIES

CURRENT AND DEFERRED TAX Provision for current tax is made after taking into account various benefits admissible under the provisions of the Income-tax Act, 1961. Deferred tax resulting from "timing difference" between the book and taxable profit is accounted for using the tax rates and laws that have been enacted as on the balance sheet date. FOREIGN CURRENCY TRANSACTIONS 1. Transactions denominated in the foreign currencies are accounted at the exchange rate prevailing at the time of transaction. 2. Exchange difference between the applicable rates on the date of the transactions, if any, and the rates actually realized has been included in the respective revenue or expense head, as the case may be. 3. Non monetary foreign currency items are carried at cost. 4. All monetary items denominated in foreign currency are accounted as per the rates prevailing on the balance sheet date and the exchange difference if any are transferred to profit and loss account. **BORROWING COST** The borrowing costs that are directly attributable to the cost of acquisition of fixed assets of the company have been capitalized as part of the cost of these assets as provided under Accounting Standard No.16 **IMPAIRMENT OF ASSETS** An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the profit and loss account in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting periods is reversed if there has been a change in the estimate of recoverable amount. GOVERNMENT SUBSIDY/GRANT Investment Subsidy received from District Industries Centre is credited to Reserves and Surplus Account. **EARNINGS PER SHARE** Net Profit after tax is divided by the weighter average number of Equity shares outstanding as on Balance Sheet date. Liability to MSME entities The company categorises the amouts payable to MSME entities in respect of supplies effected by the respective entity only on the basis of necessary declaration furnished by the supplier. If no declaration is received before the finalization accounts, the same is disclosed as "Liability payable to others" and the provisions of Micro, Small and

Medium Enterprises Development Act, 2006 are not applied in such cases.
